## Missionary Family

*Have I not commanded you? Be strong and of good courage; do not be afraid, nor be dismayed, for the Lord your God is with you wherever you go."*

**Joshua 1:9**

When GOD send us to do something we must encourage ourselves through His promises and His constant presence in everything we do. No issue, sickness, nor pandemics will discourage us since He has commanded, called, and commissioned us to this children ministry, [Albergue Infantil el Amparo](#). We are assured that HE will sustain us and rescue us from any trouble, as HE has for our first 10 years. All of this encourages us to be daring and strong in our LORD JESUS.

## GOVERNMENT'S DIRECTIVES

The Peruvian Government has required us to get a room ready for any COVID-19 emergency, since the pandemic has caused our health system collapse. The one thing left to complete our preparations is an oxygen tank and its accessories.

## Isolation Continues

We are unable to leave the house, but God is helping us to redeem the time including dedicated prayer time, while having more time to help the kids learn new responsibilities and enjoy more fellowship.

## MOTHER'S DAY

When my father and my mother forsake me,  
Then the LORD will take care of me.

**Psalm 27:10**

GOD is faithful and He shows His love, mercy and goodness through HIS daughter, my beloved and tireless wife, Patricia. Together with the children we honoured her on Mother's Day.
